Tender Notice of LAN Structured Cabling Works for Meghna Bank Head Office Level-6

MGBL management has decided to renovate its Head Office Suvastu Imam Square (Level-6), 65 Gulshan Avenue, Dhaka-1212. Following the necessities, it is required to rebuild its LAN Structured Cabling setup. Currently it has a setup of 270+ Nodes (Data + Voice). Technology team is steering to keep the maximum number of Data & Voice Nodes undamaged during the floor renovation works.

Considering the above requirements, Meghna Bank Ltd. is inviting qualified LAN Structured Cabling Service Providers for conducting a site survey to check how many Data & Voice Nodes can be kept from the existing setup and build new nodes as per the Bank's proposed structured cabling layout.

In parallel, the Bank invites proposals from qualified bidders to participate in the bidding process who has multiple years of experience in the field and has enterprise level implementation experience in any bank or financial organizations.

Please provide us a site survey schedule. And based on the site survey submit a non-negotiable financial proposal for below mentioned items:
